Report of Principal and School Improvement Council

We are... Leadership strong!" This mantra can be heard throughout the building at White Knoll Elementary School. It is not just a set of words on a page. It is a motto that we live by every school day.

The 2013-2014 school year was an exceptional year for WKE! The school was recognized for its efforts in creating an environment of student leadership. The Covey Education Foundation recognized WKE as a Lighthouse School for outstanding implementation of "The Leader in Me" program. This designation has been awarded to less than 75 schools internationally. WKE's Leadership Day was attended by schools from across the state, and it provided an opportunity for WKE students to showcase their leadership abilities in public speaking, creative arts, academics and technology.

We also continued implementation of new academic standards that promote a more rigorous academic environment that will meet the needs of all students. State testing results showed dramatic improvements in writing, mathematics and science. In these areas, more students met the standard and more scored in the exemplary range than in the previous year.

The Parent Teacher Organization and School Improvement Council were both reorganized at the beginning of the year to better meet the needs of our school and community. These parent/community organizations worked toward helping the school meet goals as identified in our strategic planning process. Our PTO was instrumental in helping provide funds for projects and organizing several family events. The SIC worked on specific goals and saw success in these areas: increasing safety during school arrival/dismissal; development of a mentoring program; and parent training for "The Leader in Me."

The school continues to see needs in the following areas in order to strengthen the total school environment: more technology for student use; increased parental support; and increased community involvement. Academically, the goal is to continue to increase the number of students who meet state standards on the PASS in all areas. English language arts is the content area that shows the room for the most improvement.

The future of White Knoll Elementary is bright as all stakeholders are coming together to create the best total school program to meet the needs of our students, while offering them the opportunities to connect their learning to leadership!

Principal Bob Grant and SIC Chair Jeff Rose

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	89.2
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

White Knoll Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
